HM?
NOSE-HOLES!
GUAH!
HA!
- B O U T 31 -
WHO WAS IT!?
SO WHY'D YOU DO THAT SO SUDDE-NLY!?
Wow! You really have a nose bleed!
Phew, You were just about to step in some shit there .....
Well, I guess so.... And that's because ...
But you know, Your resilience is really stronger than a whole lot of other people! Your really rare you know that!?
How didn't you notice the shit?

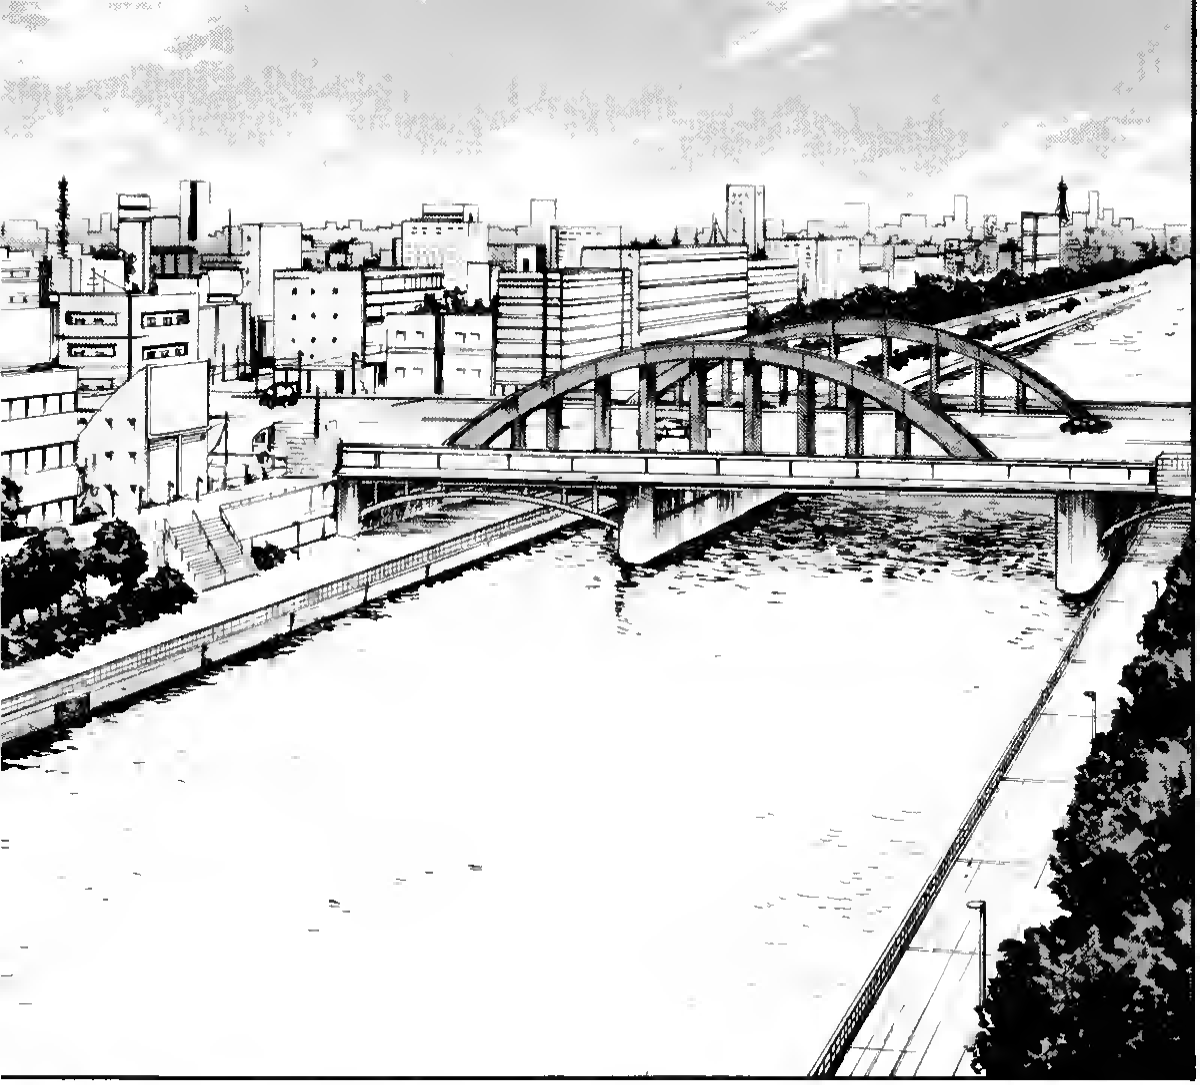
I don't have .....
My glasses
Again with the vague gag Noseholes?
.....
So what's the issue?
I knew you wouldn't understand .....
All these senses of doubt because I can't see properly ....
Only those who wear glasses could understand the depressing feeling that's caused by the moment their glasses are destroyed ....

UWAH! ONI-GIRI!
Sorry! I was just passing by and I heard you!
You've got that right!
Mm ....
I use contacts but
I can understand your feelings!
THESE CON-TACTS !?
So how about it!? Wanna try it out?
Maybe I should give them a shot ....
It's a little awkward here so let's try them out at Jennys!
Sounds good! I just bought a box for them!
.....
W..Why are you acting so unusual?
I've got something to do right now so we'll go get them later!!

They have all those injuries so it must be true...
Aren't they ...
MUIMI
Hmm... Word spreads fast with the Yankees in this area
You guys have become quite the rumour
.....
.....

Is Asagiri
The amazing one is ....
No doubt about it
Yeah
Shouldn't say stuff like that ....
You guy's ....
How incredible he is ....
But I understand as well ....
So they're actually allies now !?
I've also heard that recently they've grouped up with that Asagiri guy
Isn't that Mitsume's Sunahara and Masaki?

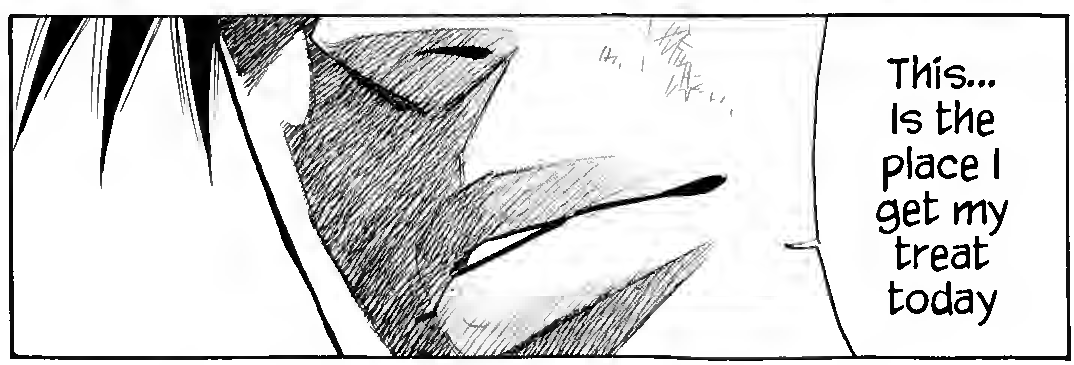
Judging from my level They won't say that I'm your ally as well ....
Even though I was in the fight too .....
MUIMI
Kuku Sunahara .....
We're being called his "allies"
Asagiri is the kind of guy that won't care about something like that
Masaki .....
So how about we go to Jennys?
Kuku ....
You guys ....
.....
The time when we all went in together ....
He must have already thought of you as an ally



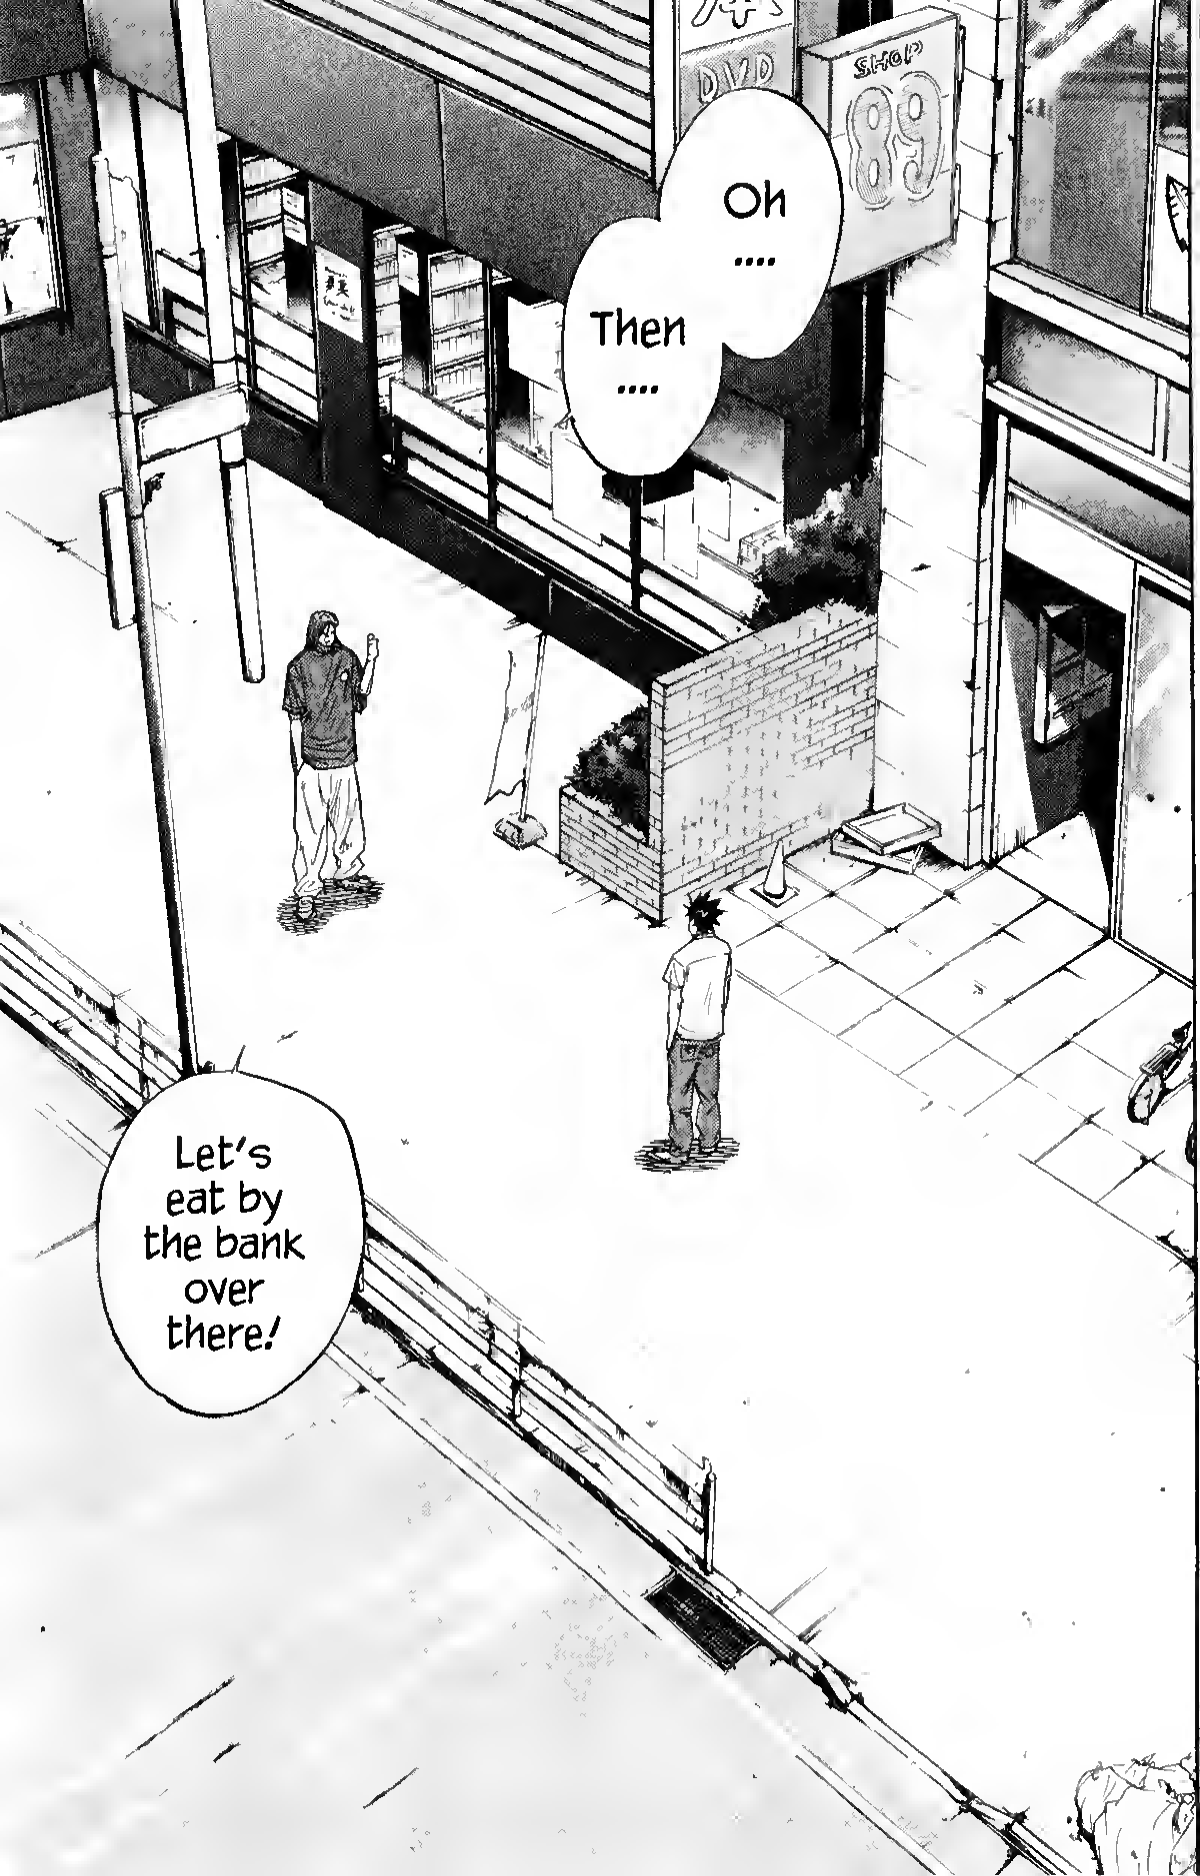
I knew I was gonna run into you here

Hm?

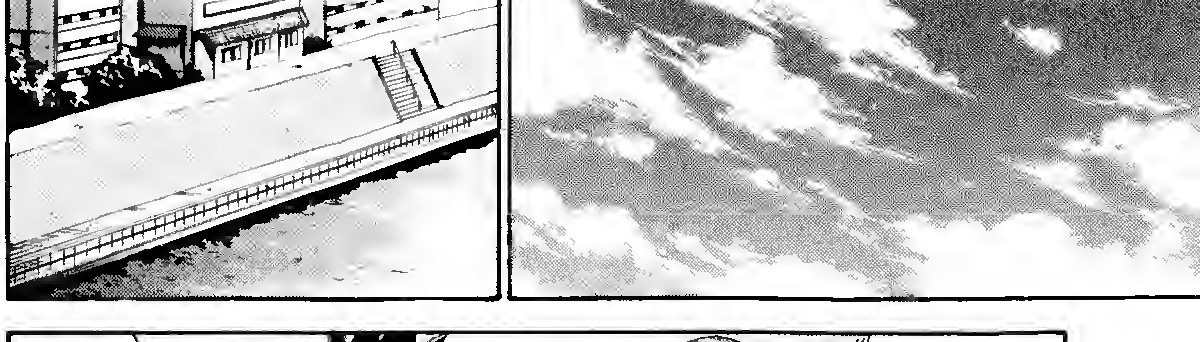
You ...

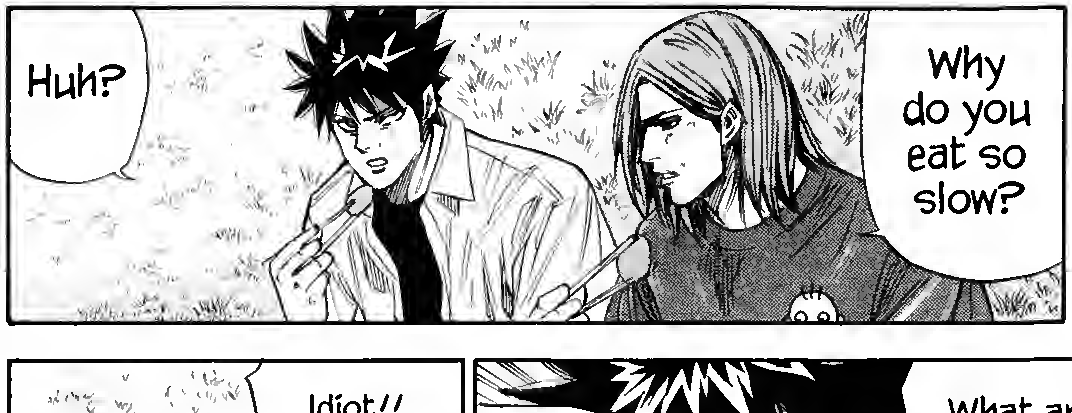


This...
Is the place I get my treat today



DVD
Oh ....
Then ....
Let's eat by the bank over there!



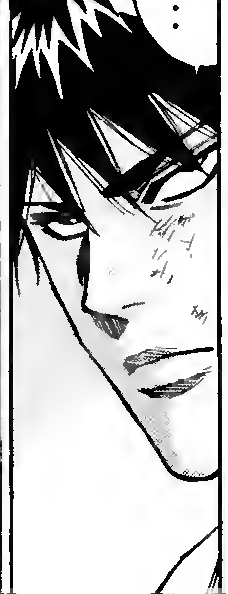


Huh?
Why do you eat so slow?

Idiot!! You can't talk because you took out my tooth!!
OH YEAH !!

Seriously .... Couldn't you have held it back a bit!?
What are you talking about ..... I ate your killer punch! My jaw's still acting funny!!

Why did I again?
Don't ask me .....



.....

So ...
Why'd you come here?

Your a pretty interesting guy ....
But you know ....
.....
We both hit each other who held different views ....
And without holding back ....
We both had our reasons for not fleeing ....
.....

That sort of person .....
I can't believe that theres someone like that in Japan ....

Really... I thought there was more ....
There were 5 of us ....

....

!
Well... If you keep this up you'll create a "wave" in Mitsumine ....
Not only will the 2nd years feel it ....
Higuchi will feel it as well ....

At that time... I'll be on your side for once!
Mitsumine definetely cannot lose to a stranger!
Well... You probably won't understand but...
The third years that protect the pride and reputation of Mitsmine
Are strong

I best be going
!
Well ....
For now ....
I'm thankful to you !!
ヒロム
The reason I came ...
I'm not too sure about it myself but ....
Heh

The preface of "Young and Old" .....
It seem's like you understood ....
